PRESS RELEASE

IL 143/IL 159 Intersection, northwest of Edwardsville

The Illinois Department of Transportation today announced that the IL 143/IL 159 intersection will have intermittent lane closures as shown below:

- The eastbound lanes of IL 143 will be restricted to one lane approaching the intersection with IL 159.
- IL 159 will be restricted to one lane just north of the IL 143 intersection.

This work will begin on September 6, 2016, weather permitting, and will take place daily between 6:00 AM and 7:00 PM. This work is necessary to paint the structural steel on the nearby bridges, and this work should be completed by the middle of October.

The General Contractor on this project is Venus Painting Company of Valparaiso, Indiana. John Adcock is the Supervising Field Engineer for the Illinois Department of Transportation. If you have any questions concerning this project, you may contact him at 618-346-3352.
